As a UI/UX Designer, I have a passion for creating intuitive and visually stunning user experiences. My expertise in enterprise SaaS applications, mobile apps and illustrations allows me to combine technical skills and creative flair in my work. I am constantly exploring new possibilities in interaction design, animations and visual design, and pushing the boundaries of what's possible.

Work Experience

UX/UI Designer
Sarvika Technologies

Worked as a UX/UI designer for about 4 years. Worked on SaaS applications and mobile apps as well.
